Christ the King Lutheran Preschool

Purpose

The purpose of Christ the King Lutheran Preschool is to provide a quality social and educational experience in a safe, warm, and loving Christian environment. We believe in educating the whole child. We use a variety of enrichment activities, games and materials to create an atmosphere which fosters your child's intellectual, social, emotional, physical, cognitive and spiritual development.

Curriculum

Children are taught using a balanced curriculum of both structured academic time and play time. Children learn through circle time, play time, teacher-led centers, projects and specials offered through the preschool.

Your child will experience Music and Movement in the classroom once a week learning a wonderful mix of songs, music appreciation and language.

Throughout the year we have special visits from interesting guests including our local Fire Department and the Tooth Fairy.

Christian Education

We seek to integrate a spiritual and Christian dimension in learning. Your child will have Chapel weekly in which they are taught Old and New Testament Bible stories, prayers and songs.

Child/Teacher Ratio

Most classes have one lead and one assistant teacher, depending on class size. Child/Teacher ratios vary according to the age of the child.

Our staff is hired based upon experience, education and individual training.

Registration Fees

A **NON-REFUNDABLE** registration fee is required for each school year:

3 Day program \$230

4 Day program \$255

5 Day program \$270
