

CTK Preschool 2026-2027 School Calendar

CTK Preschool follows the Forsyth County Public School Calendar in most instances. ON the event of an Early Release Day, we do not have preschool. In the event of inclement weather, we will follow the FOCO School's closing decisions. If there is a late start due to inclement weather, CTK Preschool will be closed that day. A monthly calendar will be sent out via email by your teacher and the office each month with specifics and special events of that month included. Below is our general yearly schedule for 2026-2027 school year.
